THE 64 HOUR SHUTDOWN

We don't play so that the kids can

In support of Child's Play, I won't be playing video games from 3pm June 30 through to 10am July 3. Sponsor me for every hour (or portion of) that I don't play and the money will go towards supplying hospitals around the world with entertainment equipment for their younger patients.

Or, if you'd prefer, make a donation to the cause. Thank you!
